

To the Parents of: <<Field 1>>

It's time to register your child for the 2017-2018 school year. As a current student at SJS your child is eligible to secure a spot before open registration, which begins on January 29<sup>th</sup>. See the table below for tuition information. Please fill out the attached registration application and return it to the school office with your registration fee. We look forward to having your child continue their educational journey with St. Joseph Parish School!

**VERY IMPORTANT!**

*Timely registration is more important this year than EVER before! We have had a long term goal of providing each student in the school with their own technological device to use for the entire school year (this is known as 1 to 1 technology)! **Next year, we are making this happen!!!!** In order to meet this goal iPads and laptops need to be ordered early this spring. Get your registration in so you can guarantee your student will have a device waiting for them in August!*
