We are so excited to be able to offer our families some peace of mind and assistance in regards to tuition. We trust each family to evaluate their own needs in regards to tuition assistance. Our goal is that all families who want a Catholic education at SJS will be able to afford it.

The tuition table for the 18-19 school year is below (no tuition increase has taken place). If you would like to be considered for additional tuition assistance above and beyond the parish scholarship that is offered to active parishioners OR would like to be considered for tuition assistance as a non-parishioner, you MUST fill out a diocesan financial aide application on the factsmgt.com website.

WE GIVE THANKS!

The financial aid we are able to offer this upcoming school year is being made possible in part by a grant from an anonymous donor with a strong background and belief in Catholic education, especially in the Diocese of Cleveland. The remainder of the aide available has been generated from the parishioners right here at our parishes of St. Joseph and Nativity of the BVM. We thank all those who have contributed to the Tuition Assistance fund and continue to support our school through their use of stewardship.
