2. Principal's Report- Mrs. Makruski There has been a lot of interest lately in SJS by outside entities, including both public and private schools, both close to home and as far away as Michigan. We are excited about the exposure and the validation that the work we are doing is meaningful and impactful. Mrs. Makruski also described the most recent design challenge the whole school is taking part in centered around food insecurity.

 2. K of C Cash Bonanza Raffle A discussion was had on whether or not to help with the raffle this year. We did not do it last year, and Mrs. Makruski would like to support the Knights of Columbus as much as possible. If we sell 300 tickets we make 3.00 per ticket. At 400 tickets sold we make 3.50, and at 500 sold, we make 4.00 per ticket. With 101 families in the day school, we will start by asking each family to sell 3 tickets and move on from there.

Mrs. Evans said there is a dine to donate on March 12th at Ziggy's and would like as much participation as possible. Our fee for the race is \$2000, please seek sponsors if you are able or donate as a family if you are able- any amount is helpful. The school/PC are working on an incentive to try to involve more school families and community members are race participants.

Stewardship Prayer

Oh Lord, giver of life and source of our freedom, we are reminded by the Psalmist that Yours is "the earth and its fullness; the world and those who dwell in it." We know that it is from Your hand that we have received all we have and are and will be. Gracious and loving God, we understand that You call us to be the stewards of Your abundance, the caretakers of all You have entrusted to us. Allow us to grow in a greater respect for the gift of all human life. Help us to use your gifts wisely and teach us to share them and the resources of our planet generously. May our faithful stewardship bear witness to the love of Christ in our lives. We pray with grateful hearts in Jesus' name.

Amen
