

SJS Super Six Challenge

You can help feed our community by participating in the SJS Super Six Challenge.

Each week for 6 weeks we will be collecting one of the items from Second Harvest Food Bank's SUPER SIX list.

You can send in the weekly food item any day of school during it's assigned week (schedule on reverse) with your student(s). The food will be compiled, delivered, and weighed each Friday and we will add the weight of the items to our goal chart!

Help us reach our goal of 1400 pounds of donated food to help those in need!

Responding to the need
in our community.

The “Super Six” Most Needed Food

Nearly 40% of those we serve are children.
